4. BACKGROUND TO THE OFFER

On 28 March 2016 the board of directors of the Company was informed that interest had been shown in the acquisition of the Shares of the Company and that, subject to the satisfactory conclusion of a due diligence exercise, it was the intention of the interested parties, including the Offeror, to launch a voluntary bid for the acquisition of all the issued share capital of the Company.

The board of directors of the Company, therefore, resolved to convene an Extraordinary General Meeting in order for the shareholders to consider whether to furnish in confidence such information relative to the Company, including unpublished price-sensitive information, as may be necessary to enable the *bona fide* offerors, the *bona fide* transferors and their advisors to make, confirm, withdraw or modify any offer, in accordance with the provisions of Listing Rule 5.174. On 28 April 2016 the general meeting of shareholders of the Company approved said resolution, thus enabling the Offeror to proceed with the carrying out of a due diligence exercise into the affairs of 6PM Group.

On 13 December 2016 the Offeror informed the Company that it would proceed to make a voluntary public offer for the entire issued share capital of the Company as required by applicable laws and pursuant thereto the Major Shareholders executed Irrevocable Undertakings in respect of the shares held by each of them in the Company.

Specifically, in virtue of the Irrevocable Undertaking letters dated 13 December 2016 signed by and between the Offeror and the Major Shareholders, each of the Major Shareholders undertook, subject to certain conditions, to accept the Offer in respect of an aggregate of 14,675,483 Shares representing sixty-nine point nine four per cent (69.94%) of the issued share capital of the Company. Five out of six of the Major Shareholders who have executed Irrevocable Undertakings have accepted a combined consideration, whilst the sixth Major Shareholder opted for the cash alternative in full.

The aforementioned Irrevocable Undertakings executed by the Major Shareholders and this Offer Document regulate, *inter alia*, the mechanics of how Idox proposes to acquire all of the shares issued in the capital of the Company from the Shareholders on equal terms.

Pursuant to the Irrevocable Undertakings, the Offeror agreed that, subject to a number of conditions being satisfied, principally, the acquisition of a minimum acceptance level of 90% of the issued shares in the Company, it would make a conditional voluntary offer for 100% of the issued share capital of the Company, and the Major Shareholders agreed to sell and transfer their shares in the Company to the Offeror.

5. TERMS AND CONDITIONS OF THE OFFER

5.1 Offer and Offer Consideration

Subject to the terms and conditions set out in this Offer Document, and to the Completion Conditions, the Offeror hereby offers to all the Shareholders to purchase and acquire all the issued ordinary shares in the Company, having a nominal value of GBP0.20 each, and in each case together with all ancillary

rights associated with these Shares at the time of the settlement of the Offer (in particular any dividend entitlement), at the Offer Consideration consisting of either:

- (a) GBP0.44 in cash per Share AND 0.6542 Idox Shares per Share (the “Combined Consideration”); OR
- (b) GBP0.88 in cash per Share at the election of the Shareholder in the Acceptance Form (the “Alternative Consideration”).

5.1.1 The Combined Consideration

The Combined Consideration consists of fifty per cent (50%) of the Offer Consideration in the form of the Cash Component and fifty per cent (50%) of the Offer Consideration in the form of the Idox Share Component and is equivalent to GBP 0.44 per Share and 0.6542 Idox Shares per Share, based on the Closing Price of the Idox Shares of GBP0.6725 on the Last Practicable Date. The total Combined Consideration is equivalent to GBP0.88 per share.

The Offer Consideration will be paid as follows:

- *Cash Component:*

The Cash Component of GBP0.44 per Share shall be paid on the Settlement Date.

- *Share Component:*

The Idox Share Component of 0.6542 Idox Shares per Share shall be issued and allotted to Shareholders on the Settlement Date. The Idox Share Component shall be subject to rounding. In the event that the number of Shares held by a Shareholder when multiplied by 0.6542 results in a fractional entitlement to shares, it shall be rounded down to the nearest whole Idox Share.

The Idox Shares to be issued and allotted to Shareholders accepting the Idox Share Component as part of the Offer Consideration are ordinary shares in Idox that shall entitle their holders to receive dividends, vote at general meetings and to participate in a distribution of assets, if any, in the same manner as the holders of all other ordinary shares in Idox.

5.1.2 The Alternative Consideration

In terms of Listing Rule 11.17 the Offeror is to make available to Shareholders a full cash alternative in the event of an offer consideration which is to be settled partly in cash and partly in securities. The Offeror is, accordingly, making available to Shareholders - except to five out of six of the Major Shareholders who have executed Irrevocable Undertakings, subject to certain conditions with the Offeror, to accept a combined consideration as set out in section 4 of this Offer Document - a full cash alternative (the Alternative Consideration) of GBP0.88 per Share payable in full on the Settlement Date.

Shareholders ought to note that settlement by way of the Alternative Consideration shall only be available to those Shareholders who opt for a full cash alternative in the Acceptance Form. Unless such election is expressly made in the Acceptance Form it shall be deemed that a Shareholder submitting the Acceptance Form shall have accepted the Combined Consideration. Accordingly, it is imperative that Shareholders wishing to opt for the Alternative Consideration complete their Acceptance Forms in full and select the Alternative Consideration option.

The Alternative Consideration is not available to five out of six of the Major Shareholders who have already signed an irrevocable commitment to accept the Offer for a combined consideration.

5.1.3 Other

The Shareholders should read this Offer Document carefully. Any Shareholders who intend to accept the Offer are directed to read this document in full including the Independent Expert's Report which is appended to this Offer Document in Annex 2.

It is declared and confirmed that the Independent Expert who has drawn up the Independent Expert's Report is independent of the Offeror and the Company.

The attention of Shareholders or any person who has a contractual or other legal obligation to forward this Offer Document or other related document into a jurisdiction other than Malta is drawn to sub-section 5.14 below. The Offer will not be made into the Excluded Territories.

5.2 Voluntary offer

The Offer is a conditional voluntary takeover offer made by the Offeror to all the Shareholders for the Shares registered in the Register on the Record Date.

5.3 Acceptance Period

The Acceptance Period shall commence on the 23 December 2016 at 08:30 hours (CET) and end on 24 January 2017 at 12:00 hours (CET). Acceptance Forms may be lodged with the Registrar during this period.

5.4 Completion Conditions

Completion of the Offer is subject to the fulfilment, or waiver by the Offeror, of all the following conditions (the "**Completion Conditions**"):

- (a) **Acceptance from Shareholders** – the Offer shall, prior to the expiration of the Acceptance Period, have been validly and unconditionally accepted by Shareholders, and not be subject to any third party consents in respect of pledges or other rights, representing more than 90% of the issued share capital and of the voting rights in the Company. For the avoidance of doubt, in determining whether the above-mentioned 90% threshold has been met, the level of Acceptances shall be determined in relation to the Shareholders as registered in the Register as at the Closing Date. As at the date of this Offer Document, the Offeror is not aware of any agreements or arrangements giving the right to subscribe for or otherwise require the Company to issue additional Shares.
- (b) **No material adverse change** – following announcement of the Offer and until completion of the Offer, no change, effect, development or event that is or would reasonably be expected to have a material adverse effect on the financial condition, business, assets or results of operation of the Company and/or its subsidiaries shall have occurred.
- (c) **Conduct of business** – following the announcement of the Offer and until completion of the Offer, the Company and each of its subsidiaries and affiliates shall, other than with the prior written consent of the Offeror, in all material respects have conducted its business in the ordinary course and in accordance with Applicable Laws, regulations and decisions of public authorities, and also refrained

from entering into agreements outside the ordinary course of business or to make or propose changes to the Company's capital structure, financing structure or corporate status or to issue securities or other rights to acquire shares or securities issued or make any dividends, distributions or redemption of shares.

- (d) **No intervention** – no court or governmental or regulatory authority (including any applicable securities exchange) of competent jurisdiction shall have taken any form of legal action (whether temporary, preliminary or permanent) which restrains or prohibits the consummation of the Offer.
- (e) **Irrevocable Undertakings not being terminated** – the Major Shareholders shall not be in breach of the Irrevocable Undertakings and the Irrevocable Undertakings shall remain valid and in full force and effect up until and including the Closing Date.

The Offeror shall be entitled to waive one, some or all of the Completion Conditions in whole or in part in its sole and absolute discretion.

5.5 Shareholder rights

Shareholders that accept the Offer will remain legal owners of their Shares and, subject to the terms of this Offer and to the extent permitted by Maltese law, retain voting rights and other shareholder rights related thereto until settlement has taken place in accordance with sub-section 5.6.14 below.

5.6 Procedures for accepting the Offer

5.6.1 Eligibility

The Offer is being made to Shareholders subject to the terms and conditions set out in this Offer Document.

All Shareholders registered in the Register during the period commencing from (and including) the Record Date up until (and including) the Closing Date are eligible to accept the Offer. However, the Offer is limited to the number of Shares as at the Record Date.

During the Acceptance Period, the Offeror may liaise with the Company in order for the Company to make a request to the Listing Authority and the MSE for the suspension of trading of the Shares in accordance with Listing Rules 1.15 and 1.16.

Each Accepting Shareholder undertakes that any Shares which are the subject of an Acceptance made by such Accepting Shareholder will be retained by the Shareholder and that they will remain freely transferable to the Offeror and unencumbered after such Acceptance. Following the Acceptance of the Offer, the Shareholder may not sell, transfer, encumber or dispose of the Shares which are the subject of their Acceptance to any person other than the Offeror in terms of this Offer Document.

By delivering an original duly executed Acceptance Form, Shareholders give the Offeror an authorisation to render the Shares to which the Acceptance Form relates non-transferable to any other party except to the Offeror. In the event that the Offer is cancelled or lapses, the Shares will be re-instated to their original status of freely transferable shares.

5.6.2 Acceptance

Shareholders may accept the Offer set forth in this Offer Document by lodging the Acceptance Form in original (a sample of which is attached as Annex 1 to this Offer Document), with the Registrar at the following address:

Calamatta Cuschieri Investment Services Limited
5th Floor, Valletta Buildings,
South Street, Valletta VLT 1000,
Malta

The Acceptance Form, once duly completed and executed by the Shareholder and received by the Registrar, but always subject to the Completion Conditions as aforesaid, shall constitute a binding contract between the Offeror and the Shareholder whereby the Shareholder shall be bound to surrender the specified number of Shares in favour of the Offeror and the Offeror shall be bound to effect payment of the Combined Consideration or the Alternative Consideration, as the case may be.

All Shares tendered in the Offer are to be transferred free of any pledge, charge, lien or other similar encumbrances in any jurisdiction and any other third party rights whatsoever and with all shareholder rights attached to them. **Any third party with registered encumbrances or other third party rights must sign the Acceptance Form and thereby waive its rights in the Shares sold in the Offer and approve the transfer of the Shares to the Offeror free and clear of any such encumbrances and any other third party rights.** Acceptances will be treated as valid only if any such holder has consented by signing the Acceptance Form for the sale and transfer of the Shares free of encumbrances to the Offeror.

An Acceptance is irrevocable, and may not be withdrawn, in whole or in part, once the Registrar has received the Acceptance Form, except as permitted under the terms of any revised Offer. Shareholders have the option to accept the Offer either in part or in full. Shareholders should complete the relevant section of the Acceptance Form, indicating the number of Shares for which they tender their Acceptance.

The responsibility to return the Acceptance Form within the deadline lies solely with the Shareholder and neither the Offeror nor the Registrar take any responsibility for technical problems, including delays or non-receipt of the documentation by mail.

A Shareholder may remain passive and take no action to reject the Offer. If the Offer is not validly taken up by the Shareholder by the Closing Date, this shall be deemed as a rejection of the Offer by the Shareholder and his eligibility would have consequently lapsed.

5.6.3 Notices

This Offer Document and accompanying documentation will be mailed to Shareholders, excluding those in Excluded Territories, at their registered address as stated in the Register as at the Record Date or, in relation to New Shareholders (as such term is defined in sub-Section 5.8 below), excluding those in Excluded Territories, at the registered address as stated in the Register up to the Closing Date.

For Shareholders residing in Malta, the Offer Document shall be deemed to have been served and notified at the expiration of two (2) calendar days after such mailing and for overseas Shareholders it shall be deemed to have been served and notified at the expiration of five (5) calendar days after such mailing.

5.6.4 Acceptance Form

The Offeror or its duly appointed agent shall mail to all Shareholders appearing on the Register as at the Record Date, and to New Shareholders (as such term is defined in sub-Section 5.8 below) up to the Closing Date, excluding those in Excluded Territories, a copy of this Offer Document together with a pre-printed Acceptance Form. Shareholders wishing to accept the Offer shall return the original Acceptance Form to the Registrar, and the original Acceptance Form shall be received by the Registrar, before the lapse of the Acceptance Period. It shall not be incumbent on the Registrar to verify the signatory/ies to the Acceptance Form.

The Acceptance Form details the number of Shares held by the Shareholder as at the Record Date.

Save where the context otherwise requires, terms defined in this Offer Document bear the same meaning when used in the Acceptance Form.

5.6.5 Joint shareholders

In relation to Shares held jointly by several persons, the Acceptance Form must be signed by each of such Shareholders. It shall not be incumbent on the Registrar to verify the signatory/ies to the Acceptance Form.

5.6.6 Legal persons

Where the Shareholder is a legal person, the Acceptance Form must be signed by the person/s authorised to sign and bind such Shareholder. It shall not be incumbent on the Registrar to verify whether the person/s purporting to bind such Shareholder is in fact so authorised.

5.6.7 Minors

Where the Shareholder is a minor, both parents or legal guardian/s should sign the Acceptance Form and the Acceptance Form shall be accompanied by a birth certificate of the minor or evidence of legal guardianship, as the case may be. The Registrar and/or the Offeror reserves the right to request a copy of such documents before proceeding to process the Acceptance Form, including, where applicable a certified true copy of a Civil Court (Family Section) Decree, obtained from the Court's Registry, authorising such sale in terms of article 136(4) of the Civil Code. It shall not be incumbent on the Registrar to verify the signatory/ies to the Acceptance Form.

5.6.8 Deceased persons

If the name appearing on the register of the Central Securities Depository on the Record Date is that of a deceased Shareholder or if a Shareholder passes away prior to having delivered the Acceptance Form to the Registrar, the Acceptance Form must be signed by the lawful successors in title of the deceased Shareholder. For this purpose, the successors in title of the deceased Shareholder must contact the Registrar within the Acceptance Period in order to produce adequate documentary proof to the satisfaction of the Company or the Registrar, in order to enable them to verify their status as lawful successors of the deceased Shareholder. It shall not be incumbent on the Registrar to verify the signatory/ies to the Acceptance Form.

5.6.9 Shares subject to usufruct

Where the Shares are held subject to usufruct, the Acceptance Form must be signed by both the bare owner/s and usufructuary/ies, as well as being accompanied by proof of such an arrangement, such as a form of power of attorney in original or certified copy form. It shall not be incumbent on the Registrar to verify the signatory/ies to the Acceptance Form.

5.6.10 Payment

Unless a Shareholder expressly indicates in the Acceptance Form that he/she/it accepts the Offer for the Alternative Consideration, that Acceptance shall be deemed to have been made for the Combined Consideration.

The Cash Component of the Combined Consideration, or, if selected, the Alternative Consideration, shall be payable in cash directly by the Offeror or through the Manager and Paying Agent by direct credit in Pound Sterling (£) if the Shareholder indicates a valid Pound Sterling (£)-denominated account on the Acceptance Form. If no such Pound Sterling (£)-denominated bank account number is provided, Shareholders resident in Malta will receive settlement by means of a cheque mailed to their address indicated in the Acceptance Form. In the case of Shareholders who do not hold a Maltese address, a bank account is mandatory and if no such bank account number is provided, settlement will be made by transfer to the bank account registered on the MSE account for dividend payment purposes.

Shareholders are advised that settlement into bank accounts, other than those held with Bank of Valletta p.l.c. or HSBC Bank Malta p.l.c., may incur bank charges charged by the Shareholder's bank which are to be borne by the Shareholder and may take up to four (4) Business Days to settle into the Shareholder's bank account in cleared funds. Settlement to bank accounts outside Malta will be subject to settlement periods as prevalent in international banking markets.

Settlement into a non-Pound Sterling (£) denominated bank account will be subject to the prevailing foreign exchange rate at the date of settlement as may be applicable, and neither the Offeror nor the Manager and Paying Agent, as applicable, shall be obliged to seek to obtain preferential exchange rates.

In the event that bank details on the Acceptance Form are incorrect or inaccurate, the Offeror or the Manager and Paying Agent, as applicable, may issue a Pound Sterling denominated cheque drawn on a bank in Malta to settle the Cash Component or, if selected, the Alternative Consideration. The cheque will be mailed to the address indicated on the Acceptance Form at the Shareholder's risk.

Settlement of the Idox Share Component of the Offer Consideration in the case of the Combined Consideration shall be made by the issuance by Idox of the relevant shares and allotting them to the Shareholders who opt to receive the Idox Share Component in partial settlement of the Shares held by them in the Company in accordance with their entitlement in their securities account held at the CSD.

5.6.11 Right to accept and/or reject

Subject to all other terms and conditions set out in this Offer Document, the Offeror reserves the right to accept or reject any Acceptance Form which in its opinion is not properly completed in accordance with relevant instructions or is not accompanied by the required documentation. The Acceptance Form will be accepted in original only and photocopies/facsimile copies will not be accepted.

The Offeror reserves the right in its sole and absolute discretion to approve acceptances being received after the expiration of the Acceptance Period or which are not correctly completed.

5.6.12 Right to revoke the Offer

The Offeror reserves the right to revoke the Offer at any time before the Closing Date in the circumstances contemplated by Listing Rule 11.77.

5.6.13 Results

Information regarding the level of Acceptances received as a result of the Offer (together with the announcement of fulfilment or waiver of the Completion Conditions or otherwise) shall be made public by the Offeror by means of a company announcement issued by the Company on the Malta Stock Exchange website by not later than ten (10) calendar days from the Closing Date.

5.6.14 Settlement

Subject to the terms and conditions of the Offer, in particular the provisions of sub-section 5.4 of this Offer Document, transfer of ownership in respect of the Idox Shares and settlement of the Cash Component or, if selected, the Alternative Consideration, by the Offeror or the Manager and Paying Agent on behalf of the Offeror shall take place on the Settlement Date.

If any of the Completion Conditions has not been duly satisfied or waived by the Closing Date, this Offer should be deemed to have lapsed and the conditional contract created between the Offeror and Accepting Shareholders would be automatically terminated and revoked, without penalty or other consequence to either party, both parties shall be fully and completely discharged of any obligation towards the other, and no settlement of the Offer Consideration shall take place.

5.7 Amendments to the Offer

The Offeror reserves the right to amend the Offer at any time but not later than fourteen (14) calendar days before the end of the Acceptance Period, and may do so in its sole and absolute discretion in accordance with applicable law, provided however that the Offeror may not amend the Offer in any manner disadvantageous to the Shareholders. Any amendments shall be communicated by the Offeror by means of a company announcement issued by the Company through the Malta Stock Exchange website. Following the revision of the Offer, Shareholders who have already accepted the Offer by submitting the Acceptance Form to the Registrar in the manner described in sub-section 5.6.2 above, shall have a right to withdraw their Acceptance of the Offer as permitted under the terms of the revised Offer. Where the Offer has been revised in accordance with this sub-section, the Acceptance Period allowed for the acceptance of the revised offer shall be automatically extended by fourteen (14) days, provided that the extension does not go beyond the maximum period of ten (10) weeks as provided in Listing Rule 11.27.

5.8 Transfer of Shares following the Record Date

In the event that, following the Record Date but prior to the Closing Date, any Shareholder (for the purposes of this sub-Section 5.8 referred to as the **“Outgoing Shareholder”**) who has not submitted a duly completed and executed Acceptance Form to the Registrar, elects to transfer any Shares held by him/her/it at the Record Date (for the purposes of this sub-Section 5.8 referred to as the **“Transferred Shares”**) to a third party (for the purposes of this sub-Section 5.8 referred to as the **“New Shareholder”**), the Outgoing Shareholder shall inform the Company of the above-mentioned transfer and shall forward this Offer Document, the Acceptance Form and any other documentation received by the Outgoing Shareholder in connection with the Offer, including any covering letter (for the purposes of this sub-Section 5.8 referred to as the **“Relevant Offer Documents”**), to the Offeror and the Registrar or to the Company for onward transmission to the Offeror and Registrar. A new set of Relevant Offer Documents will be made available by the Offeror or the Registrar to the New Shareholder for the New Shareholder to be able to accept the Offer.

The above shall only apply in cases where the Transferred Shares are traded at least three (3) Business Days prior to the Closing Date.

5.9 Offer expenses and transaction costs

The Offer Expenses represent the aggregate professional expenses relating to advisory services and legal advice provided to the Offeror in connection with the Offer and amount to an aggregate figure of £210,000. These Offer Expenses shall be borne by the Offeror.

Shareholders who accept the Offer will not have to pay any brokerage fees in respect of the sale of their shares to Idox. The Offeror and/or the Manager and Paying Agent will not cover any other costs or expenses that a Shareholder may incur in connection with the acceptance of the Offer, including but not limited to, any costs of any advisors, brokers or any costs/losses incurred in relation to the conversion of the Cash Component or, if selected, the Alternative Consideration, into a foreign currency should the Accepting Shareholder elect for settlement of the Cash Component or, if selected, the Alternative Consideration, into a non-Pound Sterling (£) bank account (if any).

5.10 Tax

Shareholders accepting the Offer are themselves responsible for any tax liability arising as a result of the settlement and any costs incurred in obtaining advice on this matter. A general description of the tax implications of the Offer is included in section 10 hereof.

5.11 Public Announcements

Public announcements in connection with the Offer will be published by the issuance of company announcements by the Company to be made through the services offered by the Malta Stock Exchange. Notices will be deemed to have been made when the Malta Stock Exchange publishes such notices.

5.12 Lapse of the Offer

The Offer will lapse and any tendered Shares shall be released by the Offeror if any of the Completion Conditions have not been fulfilled or waived by the Offeror (in its sole and absolute discretion) by the Closing Date. The Offeror, through the Company, will issue an announcement of the results on the level of acceptances at the end of the Acceptance Period, and shall state in such announcement whether the Completion Conditions have all been satisfied.

5.13 Representations and Warranties

By completing and delivering the Acceptance Form, each of the Shareholders:

- (a) agrees that the Shares which are the subject of the Acceptance are free and clear of any pledge, hypothec, privilege, charge, lien or any similar encumbrance in any jurisdiction and are not subject to any third party rights whatsoever and shall be transferred to the Offeror with all the rights pertaining to the Shares still attached to them without exception;

- (d) agrees that the execution of the Acceptance Form and the delivery thereof to the Registrar, subject to the Offer becoming unconditional in all respects in accordance with its terms, constitutes the irrevocable appointment of the Offeror or the Manager and Paying Agent as such Shareholder's mandatory (the "**Mandatory**") and an irrevocable instruction and authorisation to the Mandatory:
 - (i) to complete and execute all or any form(s) of transfer and/or other document(s) at the discretion of the Mandatory in relation to the Shares in favour of the Offeror or such other person or persons as the Offeror or its agents may direct in connection with Acceptance of the Offer;

7.5 Financing of the Bid

Subject to the terms and conditions set out in this Offer Document, the Offeror confirms that it has sufficient financial resources to meet the Offer Consideration on full acceptance of the Offer and to pay the costs incurred with the Offer. The Offeror has already secured funding for the settlement of the Cash Component or, if elected for, the Alternative Consideration, of approximately £13.8 million, which will become due on the Settlement Date. The Offeror also has sufficient authority to issue and allot Idox Shares to the Shareholders by way of the Idox Share Component.

Annex 2 includes an Expert's Report on the Offer Consideration prepared in accordance with the requirements of rules 11.23 and 11.24 of the Listing Rules.

8. OFFEROR'S INTENTIONS WITH REGARD TO FUTURE BUSINESS OF THE COMPANY

The Offeror does not intend to implement any material changes to the general business of the 6PM Group or in the current conditions of employment in place at 6PM, as a direct consequence of acquiring the Company. However, the Offeror does intend to accelerate existing management's plans to focus the business on health, to invest in additional sales resources, and give the 6PM Group access to its UK infrastructure and resources. The Offeror is confident that its strategic involvement, leadership roles and investment in the Company will have a highly positive impact on 6PM.

8.1 Vision and main synergies to be pursued between the 6PM Group and the Offeror

The Offeror's vision for the 6PM Group, should the Offer become unconditional and irrevocable in all respects, is to maintain the 6PM Group's current business focus but to accelerate its plans for growth. The 6PM Group will become the health division of Idox's government portfolio of software and solutions. Its technology will also be used in combination with other capabilities within the group to deliver cross-selling benefits across the group's customer base. Idox believes its focus on digital transformation and customer facing and productivity solutions will enable it to combine its technology with that of 6PM's to provide better self-services to health. Idox will retain a presence in Malta and has no plans to close operations in areas where 6PM is currently trading.

Idox Group intends to implement its group-wide ERP system to provide stronger and more standardised information and controls, and accordingly it is intended that the said ERP system be capable of being implemented and accessed from Malta.

The hardware and architecture design, and development of 6PM products, will continue to be managed from Malta, and the products shall be designed and built in Malta and in Macedonia. Idox Group will collaborate with local 6PM management in an effort to provide more flexible near-shore development capability. Moreover, Idox Group shall, through its health division, make available its marketing and branding resources to 6PM for purposes of expanding 6PM's international marketing strategies and targets.

Across the UK and Ireland where Idox Group has existing legal entities, 6PM Group's structure will be consolidated post acquisition to simplify the legal structure of the Idox Group. This is not intended to impact on operations in those territories.

The 6PM Group in Malta has a high quality software delivery capability which can support the Offeror's existing market opportunities and provide a platform for recruiting and training more employees to service its markets.

8.2 Board of directors, management and employees

It is the intention of the Offeror to retain the services of Ivan Bartolo, the Company's current Chief Executive Officer, and Steve Wightman, Deputy Chief Executive Officer. Andrew Riley, CEO of Idox, and Jane Mackie, CFO, will join the board of the Company. As a consequence of the proposed acquisition and subsequent de-listing of the Company, the current chairman and non-executive directors will be asked to resign as their retention is not required post-acquisition.

The existing management and employees will be retained and supplemented where required. The Offeror has no intention of making any significant changes to the conditions of employment of existing management and employees. The Offeror's plans for the 6PM Group are not expected to have any immediate repercussions on the operations and employees of the 6PM Group and the Offeror itself.

9. LEGAL IMPLICATIONS OF THE OFFER

9.1 Squeeze-out and sell-out rights

As at the date of this Offer Document and pursuant to the Irrevocable Undertakings the Offeror already holds commitments from the Major Shareholders to accept the Offer for 69.94% of the issued share capital of the Company, that, subject to the satisfaction of the Completion Conditions, are expected to be converted to actual Acceptances during the course of the Acceptance Period.

This Offer is being made by the Offeror to all Shareholders subject to the condition that the Offer shall only close in the event of the Offeror securing a minimum acceptance level of ninety per cent (90%) of the issued shares in the Company.

In the event, therefore, that as a result of Acceptances the Offeror acquires and becomes entitled to hold more than ninety per cent (90%) of the issued share capital and votes in the Company and the Offer becomes unconditional, the Offeror shall become entitled to exercise its right set out in the Listing Rules to require all the remaining Shareholders to sell and transfer to the Offeror the remaining Shares, and each remaining Shareholder will have the right to require the Offeror to purchase the remaining Shares, in both cases at a fair price payable in cash within a maximum period of ninety (90) calendar days from the Closing Date.

If the said 90% squeeze-out threshold is reached and when the Offer becomes unconditional, the Offeror intends to exercise its right set out in the Listing Rules to require all the remaining Shareholders to sell and transfer to the Offeror the remaining Shares.

In order to establish a fair price, the Offeror must, at that time, appoint an independent expert to draw up a report determining the price considered to be a fair and reasonable value of those remaining Shares.

Details on any exercise of the squeeze-out rights and the squeeze-out independent expert's report will be communicated to the remaining Shareholders not exercising this conditional voluntary offer by means of a Company announcement published through the Malta Stock Exchange.

9.2 De-listing

Following completion of the Offer, and dependent upon the number of Shares acquired by the Offeror pursuant to the Offer, the Offeror intends to propose to the board of directors and the general meeting of the Company to apply to the Listing Authority for the de-listing of the Shares from the Official List of the Malta Stock Exchange on the basis that the conditions for listing can no longer be fulfilled.

Subject to any direction which may be given by the Listing Authority and subject to the observance of all procedures and formalities as set out in the Listing Rules, the Offeror intends to procure that the Company be de-listed from the Official List of the Malta Stock Exchange.

9.3 Funding

The Company will continue to seek access to funding from the capital markets and/or from banks in the ordinary course of business, as necessary.

9.4 Corporate strategy and dividend policy

The Company's board of directors will set its business strategy and review it from time to time in accordance with the Company's resources and objectives.

The Company's dividend policy will be determined from time to time by the board of directors of the Company, after taking into account the foreseeable cash requirements of the Company.

Limited assurance report on the availability of financial resources in connection with Idox p.l.c.'s offer to acquire the entire issued share capital of 6PM Holdings p.l.c.

Introduction

This report is being prepared in accordance with the terms of our engagement with Idox p.l.c. ('Idox' or the 'Offeror') dated 31 August 2016.

Idox is in the process of submitting an offer for the acquisition of the entire issued share capital of 6PM Holdings p.l.c. (the 'Offer'). In connection with the Offer, Idox has prepared a document setting out the terms of the proposed transaction (the 'Offer Document').

- Idox is offering all of the Target's shareholders a combined consideration consisting in fifty per cent (50%) of the Offer Consideration in the form of the Cash Component and fifty per cent (50%) of the Offer Consideration in the form of the Idox Share Component, equivalent to GBP 0.44 per Share and 0.6542 Idox Shares per Share. After considering amounts contracted for through irrevocable agreements the total cash consideration under the Combined Offer amounts to £11,067,659, and the value of shares to be allotted for Idox p.l.c. shares amounts to £7,397,327 (8,406,053 worth of the Target's shares).
- Under the Alternative Offer, and after considering amounts contracted for through irrevocable agreements, the total cash consideration to be paid to the Target's shareholders amounts to £13,842,939.

Section 7.5 of the Offer Document contains an assertion ('the Offeror's Assertion') that the Offeror has sufficient financial resources to meet the Consideration in Cash or, if elected for, the Alternative Consideration on full acceptance of the Offer and to pay the debts incurred in connection with the Offer. The Offeror's Assertion also states that the Offeror has sufficient authority to issue and allot Idox Shares to the shareholders by way of the Idox Share Component.

This information is intended for general consumption and use only and is not intended to address the particular requirements of individual investors. In particular, the content does not constitute any form of advice, recommendation, representation, endorsement or arrangement by us and is not intended to be relied upon by users in making (or refraining from making) any specific investment or other decisions.

Responsibilities of the directors of the Offeror

The directors of Idox are responsible for preparing the Offer Document and all the assertions included therein, including the Offeror's Assertion. They are therefore responsible to ensure that there are sufficient financial resources for Idox to settle the Consideration in Cash, or, if elected for, the Alternative Consideration, as this becomes due for settlement. They are similarly responsible for ensuring that they have sufficient authority to issue and allot Idox Shares to the shareholders by way of the Idox Share Component.

Our responsibilities

Our responsibility is to express a limited assurance conclusion, based solely on the information provided by the Offeror and the specific procedures set out in this report, as to whether the Offeror's Assertion is fairly stated.

Our obligations in respect of this report are entirely separate from, and our responsibility and liability is in no way changed by, any other role we may have as advisors of the Offeror or otherwise. Nothing in this report, nor anything said or done in the course of or in connection with our services, will extend any duty of care we may have in our capacity as advisors to the Offeror.

Basis of opinion

We have undertaken a limited assurance engagement in accordance with International Standards on Assurance Engagements – Assurance Engagements other than Audits or reviews of Historical Financial Information issued by the International Assurance Standards Board ("ISAE 3000").

We have complied with the independence and other ethical requirements of the Code of Ethics for Professional Accountants issued by the International Ethics Standards Board for Accountants, which is founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour.

The procedures we performed for the purposes of this engagement were based on our professional judgement and were limited to the following:

- Obtaining an understanding of the sources of finance that the directors of Idox are planning to utilise in order to settle the Consideration in Cash as it falls due and any related debts incurred in connection with the Offer.

- Reviewing the documentation provided by the directors of Idox to support their assertions in relation to the planned sources of finance for the proposed transaction.
- Obtaining the latest publicly available audited financial statements of Idox for the financial year ended 31 October 2015 and the interim financial reports concerning the six month period ending on the 30 April 2016.
- Obtaining the net debt position of the Offeror, as set out in a statement provided by the directors of Idox and analysing the effect that the planned sources of finance would have on Idox's capital structure.
- Obtaining the projected cash flow statements for Idox for the financial years ending 31 October 2016, 31 October 2017, 31 October 2018, 31 October 2019 (the 'Cash Flow Projections').
- Obtaining the necessary representations from the directors of Idox including confirmation that there has been no significant or material adverse change in the financial position and prospects of Idox since the 7 June 2016, the date of the publication of the interim financial reports, and that there have been no significant adverse developments that could impact Idox's ability to draw down on available funds and sanctioned facilities earmarked for the proposed transaction.

A limited assurance engagement is substantially less in scope than a reasonable assurance engagement in relation to both the risk assessment procedures and the procedures performed in response to the assessed risks.

The procedures performed in a limited assurance engagement vary in nature and timing and are less in extent than for a reasonable assurance engagement under ISAE 3000.

Consequently, the level of assurance obtained in a limited assurance engagement is substantially less than the assurance that would have been obtained had a reasonable assurance engagement been performed.

Because events and circumstances frequently do not occur as expected, there will usually be differences between predicted and actual results, and those differences may be material. We take no responsibility for the achievement of predicted results.

Conclusion

Having considered the Offeror's Assertion regarding the sufficiency of financial resources to meet the consideration as included in Section 7.5 of the Offer Document and on the basis of the specific procedures we performed as outlined in this report, nothing has come to our attention that would indicate that the Offeror's Assertion is not fairly stated.

Yours faithfully
